August 2010

From President Jodene Finch: I want to take this opportunity to thank all of you for your continued support of me and the Club. As we begin our 70th year there will be time to reflect on what the SWC means to each of us. Have you thought about serving on a committee, but did not know what you could contribute to the club? I want to encourage all of you to attend our first Board meeting on Saturday August 28, 10am at the Bible Baptist Church. We will begin planning the celebration of our 70 years of service to the Sylmar Community. This is your club and your input is very valuable to our continued success. I hope to see you there.

Membership: We need enthusiastic new members with new ideas and strengths to help the SWC continue serving the community of Sylmar. This year we have added Saturday combined General and Board meetings with the hope that more

working women will be able to be a part of the SWC. Please invite friends and neighbors to attend a meeting.

If each one of us invited one woman we would double our membership and strengthen our commitment to the students of Sylmar High School and LA Mission College.
